Dear Ms. Hebrank:

I would like to thank NUCA and its board for the honor of being awarded the high school scholarship in memory of Andrew Scott Johnson. Attending college involves a great cost and your support will greatly help me get started in pursuing my passion. Thank you for believing in me and recognizing my efforts. I will be going to school in New Orleans, so if there is anything I can help with please feel free to let me or my parents know.

Also, thank you very much for bringing our family to the ceremony. We had a great time and your kind words made me and my parents very proud.

Sincerely,

Mauricio Viana
